

Remarks

1. Referring to section 1 of the Office Action, applicant has amended claim 13 (sic 12) to delete second occurrence of "the" in line 16 of the claim.
2. Referring to sections 2 through to 4 of the Office Action, applicant has amended independent claims 1 and 2 to incorporate the subject matter of claim 3 which the Examiner kindly indicated comprises allowable subject matter. Therefore, it is believed that independent claims 1 and 2 are now in an allowable form. Applicant has also cancelled claim 3, amended the dependencies of claims 4 and 6 in view of the cancellation of claim 3 and amended independent claim 13 to be consistent with independent claim 2 thus placing this claim also in an allowable form.
3. In making the changes to the claims as indicated above, applicant makes no admission regarding the Examiner's rejection of claims 1, 2 and 11 to 13 as being anticipated by Hama (US2004/0202171).
4. Favorable reconsideration and allowance of this application are respectfully requested.
